On The Fence 2012

The **On The Fence** program is a unique advertising medium in Boca Raton. The signs are 5' x 8' in size and are made of "85 Mesh" fence screen. The mesh will be navy blue and the lettering will be silver, these are our school colors. Signs are placed on the fence along Yamato Road or along the parking lots parallel to Jog Road.

All signs will be printed on Navy Blue screening with silver lettering. We will have your sign made according to city restrictions. The fee for the year 2012 is \$1,500 for a space on Yamato Road, \$1,000 for Jog Road, and \$650 for the north end of Jog Road on the football field fence. Your contract will be from January through December. A new contract will be signed for each year. If a new contract is signed during the year the fee will be prorated through the end of the year and a new contract will be signed for the following year.

All signs are produced by Personalized Experts (561-362-7015), a Spanish River Business Partner. Tom Souza will layout the sign according to City of Boca Raton restrictions and will send you the layout for approval. He then will make the sign and deliver it to the school. At that point we need to have the signed contract completed and returned along with your check, and we will hang the sign in the next available spot on either Jog or Yamato Roads.
